Ellenville Soldier Unhurt in B-29 Crash

Cpl. A.O. Block Was Passenger on Plane in Germany

Corporal A. O. Block, of Ellenville, escaped injury at Fuerstentfeldbruck, Germany, shortly before midnight last night in the crash of an American B-29, according to The Associated Press.

One crew member was killed and two others were injured. Corporal Block was a passenger in the plane. Nine other U. S. airmen aboard escaped injury. The B-29 was destroyed.

The ship was part of a squadron taking off for a training flight in the Mediterranean area. The accident occurred about a mile and a half from the takeoff point. The other ships continued on their way.

Prompt action by base crash crews was credited with saving most of the plane's complement. They were at the scene less than two minutes after the crash, pulling men out of the flames.

There was no immediate explanation as to the cause of the crash. Field officers said men in other planes reported seeing the Superfortress suddenly dive and make a grinding belly landing.

It was one of 24 B-29s which arrived here April 15 for training missions. Two of three squadrons have returned to the United States. The third is tentatively scheduled to return about the middle of this month to Smoky Hill, Kansas, field, where the bombers are based.

The injured men, taken to a hospital here, are Thomas G. Roberts, Jr., of Harrisburg, Ill., and Lt. James E. Silger of Independence, Kans. Both suffered burns. Roberts' condition was reported as fair and Silger's as good.

Other crew members included: Lt. Robert Hickman of Ashland, N. C.; Lt. Norman S. Smith, Continued on Page Sixteen

Truck Driver Hurt At Sleightsburg

O'Reilly Employee Taken to Hospital; Vehicle Struck Rocks

Donald Reese, 28, of 83 Livingston street, Saugerties, salesman for William O'Reilly, Inc., 530 Broadway, was injured when the light truck he was driving owned by the local concern struck the rocks of the deep cut on Route 9W leading to the Rondout Creek bridge at Sleightsburg shortly before 6:30 a. m. today.

Reese was traveling north on the route, according to a sheriff's report, when the vehicle hit a ledge of rocks on the right side of the highway, turned on its side, slid across the road and hit the ledge on the opposite side.

The driver was taken to the Kingston Hospital, where according to the report, he was treated for a broken nose, lacerations under the right eye and a fractured left rib. His condition was reported as "good" today.

The sheriff's report said that at 6:25 a. m. the driver of a Porty taxi reported that he saw a truck overturned on the Port Ewen side of the bridge as he was driving from the village.

Reese, the report said, was taken to the hospital by Edward Seaman, 163 Intervale Road, West Englewood, N. J.

The truck was damaged considerably and was towed from the scene. It had landed on its left side across the south lane of traffic.

Dewey Says Slogan Campaign Against Communism Poor

Governor Takes Issue With Stassen Before Portland Crowd; Speaks Tonight

Portland, Ore., May 4 (AP)—Gov. Thomas E. Dewey rolled his Oregon primary campaign into high gear today after characterizing Harold E. Stassen's proposal to outlaw Communism as a "demagogic appeal" founded as "glib slogans."

In his first major Oregon campaign talk last night, the New York governor took issue with his Republican rival for the state's Republican presidential preference in the May 21 primary.

Only one incident occurred. He was dumped into the mud on the Grant High School lawn as a friendly crowd—unable to gain admittance to the auditorium—surged forward to shake his hand as he emerged.

Dewey was not injured, and only momentarily off his feet. His smile as broad as ever, he continued to greet the overflow of several hundred persons who waited outside for him.

To the audience which started gathering two hours before his scheduled appearance, Dewey declared:

"I am unalterably, wholeheartedly and unwaveringly against any scheme to write laws outlawing people because of their religious, political, social and economic ideas. . . . you cannot kill ideas by force."

"Let me make myself perfectly clear: I will never seek votes that way from free Americans, and for my part I would rather never again hold public office than to stand silent in the face of such a proposal."

Dewey denounced the Stassen position, although not by name, as an "unholy" invasion of the Bill of Rights. This occasioned an enthusiastic reaction from his listeners.

From the history of Communism, Dewey said, "the lesson is plain."

"So long as Communists are out in the open in our country they will never have a chance. I want to keep them in the open."

There are now "sufficient federal laws," Dewey said, "to deal with Communists undermining the government. They provide for deportation, denaturalization and criminal prosecution, he asserted."

Dewey left Portland this morning on an intensive campaigning tour through the central Willamette valley, starting with lectures at Clackamas county Republican at West Linn at 8 a. m.

From then, until he completes his schedule at an 8 p. m. rally at Corvallis tonight, he had scheduled appearances at Oregon City, Canby, Woodburn, Mt. Angel, Silverton, Salem and Albany.

His move out of metropolitan Portland opens a three week campaign that aides earlier promised would be a "stem-to-stern" sweep through the state.

The towns where he appeared today have been visited previously this year by his only opponent in the Oregon primary race. All are in the heart of the more heavily populated rural area of the fertile Willamette valley.

Would Punish Violators

Trenton, N. J., May 4 (AP)—Traffic ticket killing would be punishable by a jail term up to three years, a fine up to \$1,000, or both, under a new bill in the Legislature today.

The legislation, introduced in the State Senate yesterday by Arthur C. Clapp (R-Essex), would make ticket killing or its attempt a misdemeanor. Clapp said enforcement of the traffic laws was impossible without teeth in a law to ban ticket killing.

Supervisors Vote to Buy House for \$26,000 for Agency

Purchase of the Loughran property on Main street, opposite the Eagle Hotel parking grounds, as a site for the Ulster County Board of Health offices and the awarding of a contract to George F. McKneally Company of Newburgh for plumbing at the new Ulster County Tumor Clinic were the two principal items of business before the Board of Supervisors, Monday evening. Both matters were unanimously approved by the 28 supervisors present.

The Board voted to purchase the Loughran property for the sum of \$26,000, \$2,000 to be paid down at the signing of the contract and the balance by March 1, 1949.

A contract for the sum of \$26,715 was awarded to the McKneally Company for plumbing in the tumor clinic, that firm being the low bidder. There was only one other bid on the re-advertising for bids after the first bids had been rejected because of an error in bidding made by the McKneally company. The Conway Plumbing Company of Kingston submitted a bid of \$34,000.

On recommendation of the Post War Planning Committee the McKneally bid was accepted and the county attorney will have a contract executed by the county and the successful bidder. Already work has started on clearing the site for the clinic building and work will be under way shortly on the general contract which has been awarded to Mutual Construction Company of New York whose bid was \$218,340. The total cost of the clinic, thus far based on bids awarded, will be \$314,108.

Following the unanimous adoption of the plumbing bid resolution Supervisor Harry Snyder, chairman of the Post War Planning Committee and majority floor leader, expressed his thanks for the unanimous cooperation of the Board members in voting the construction of the Tumor Clinic at this time. Other members of the committee are Supervisors Claude Bell and Harold C. Osterhout.

Says Committee Grateful Mr. Snyder said the committee was "grateful for the unanimous approval of this final contract and also the contracts recently passed, to said work has been started on the project."

While expressing his appreciation for the cooperation of the supervisors in voting the project, Mr. Snyder sounded a warning to taxpayers that the project would mean "higher taxes."

The cost of the Tumor Clinic project, he said, was going to be considerably higher than had first been anticipated when the board made available the sum of \$250,000 last year by resolution. However present times did not indicate any drop in construction costs for the immediate future and he said it had been deemed advisable to go ahead with the project.

Police Conference Asks Parole Work Improvement

Medals of honor granted posthumously to next of kin of policemen slain in performance of duty are gracious memorials but their number could be reduced by careful parole administration, New York State Police Conference Executive Secretary Peter Keresman of this city, said here today.

Keresman charged that in almost every case where a policeman is killed, it is through attempted arrest of second, third and even fourth offenders released from confinement on parole. "They are more dangerous to arrest with each succeeding parole and the Annual Bulletin of F.B.I. recently released by Chief Edgar Hoover shows that 55 per cent of persons convicted last year had previous arrests. The public should note this, and realize their policemen daily are engaged in a highly dangerous job, for which the administration of parole is largely responsible."

Keresman declared police wholly

Rahm Is Held for Grand Jury On Bad Check Charge; in Jail

Former Operator of Broadway Business Bureau Is Returned From Plainfield After Arraignment on Federal Warrant

George Charles Rahm, Jr., alias George Stellar, waived examination and was ordered held for grand jury action when he was arraigned in city court this morning on a charge of grand larceny, second degree. No bail was set by City Judge Matthew V. Cahill.

According to District Attorney Louis G. Bruhn, Rahm is charged with passing a bad check in the amount of \$210 at the Governor Clinton Market in this city on March 20, 1948. At that time, he was operating the Broadway Business Bureau, 436 Broadway, under the name of George Stellar.

Arrested in Plainfield, N. J., by F.B.I. agents on April 23, Rahm was arraigned Monday before U. S. Commissioner M. Lester Lynch on a federal warrant issued in Los Angeles charging him with issuing a worthless check for \$179.80 in that city. Lynch granted a motion by Assistant U. S. Attorney Martin Maroney that the charge be dismissed, and Rahm was immediately arrested by Detectives Clarence Brophy and Wesley Cramer.

Rahm was brought to this city and housed in the Ulster County Jail last night. In signing the jail records, he listed his occupation as a typewriter repair mechanic, and stated his age is 34 years. He listed his residence as Union City, N. J.

Shows Two Convictions District Attorney Bruhn disclosed today that Rahm's police record shows two previous convictions on felony charges. In 1937, Bruhn said, Rahm was convicted of grand larceny, second degree, at Syracuse, and received a suspended sentence, being placed on probation.

On November 27, 1944, according to the district attorney's records, he was convicted in New York city of grand larceny, second degree, and sentenced to from two to five years in Sing Sing prison. He was paroled from there on December 10, 1946.

Besides the charge against him in Kingston, Rahm has also been charged by the New York Department of Correction with violation of parole. Bruhn said.

While in Kingston, Rahm, known as Stellar, lived at The Huntington on Pearl street, and Christopher D. Morris, landlord, has brought civil action against Stellar in Supreme Court to recover a sum of \$7,500, which the plaintiff claims was represented by two notes given him by the defendant, on December 6, 1947, and on December 31, 1947.

One Killed, 6 Hurt New York, May 4 (AP)—One person was killed and six injured today in an explosion that wrecked a Queens house and blew in the wall of an adjoining building, police reported. Cause of the explosion in the house of 197th street, Bayside, Queens, was not immediately determined. Police said the force of the explosion broke windows in 10 or 12 houses and damaged autos in the neighborhood.

Commission to Confer With Abdullah and Secretary General of Arab League

Jerusalem Quiet

Scattered Firing Is Heard This Morning in Mekor Haim

Jerusalem, May 4 (AP)—Jews claimed today the capture of an Arab village which had barred the way to Lydda airport.

Arab fighters were reported attacking the Jewish settlement of Kfar Etzion south of Jerusalem, where they said Jews fired upon a convoy of the British-officered Arab Legion yesterday.

Other skirmishes developed elsewhere in Palestine, where the end of the British mandate is now but 11 days away.

A United Nations truce commission made up of the French, British and United States consuls general is believed to have gone to Amman, capital of Trans-Jordan, to confer with King Abdullah and the secretary-general of the Arab League, Rahman Azzam Pasha.

Consulate sources declined to discuss their whereabouts. Abdullah has said he personally will lead the regular forces of Trans-Jordan, Iraq, Syria and Lebanon against Palestine Jews.

The Arab attack on Kfar Etzion was well under way by noon, according to sparse reports received in Jerusalem.

Jews last night attacked the 16th General Hospital on Mt. Scopus, held by Arab Legion units. An Arab spokesman said the attackers were repulsed with "hundreds dead." A Jewish spokesman said the attack was retaliatory and only three Jews were killed.

The Arab attack on Kfar Etzion was well under way by noon, according to sparse reports received in Jerusalem.

Yehudia lies 12 miles east of Tel Aviv and about four miles north of Lydda. Airdrome, where all air operations virtually have ceased.

Settlements Shelled Jewish military sources said Arab artillery shelled two Jewish settlements north of Jerusalem in the night.

The informants said 30 shells landed in the area of Neve Yaakov and Atarot. Both settlements are on the highway between Jerusalem and Ramallah. They said there were no casualties and little damage.

Jerusalem was quiet during the night, although scattered firing was heard this morning in Mekor Haim. This is inside the area where British forces are enforcing a Jew-Arab truce.

Most of the Holy City was without light or power during the night, after a power station breakdown. It was only partially repaired by mid-morning.

It was reported that Arab forces were forming in the southern hills. Continued on Page Sixteen

Women Can Collect

Former W.A.A.C. Members Are Entitled to Bonus Share

Albany, N. Y., May 4 (AP)—Former members of the Women's Army Auxiliary Corps are entitled to share in New York state's \$400,000,000 veterans' bonus.

Attorney General Nathaniel L. Goldstein held yesterday in a ruling requested by the State Department of Taxation and Finance that former W.A.A.C.s should also be given preference under Civil Service.

Goldstein said that the presidential order creating the auxiliary in 1942 designated it as an organization to serve "with" the army, and not "in" the army.

Veterans of the auxiliary have been excluded from the bonus because the organization was not made a part of the army until it was reorganized in 1943 as the Women's Army Corps (W.A.C.), whose members have been eligible for the bonus.

Freeman Employees Form 20-Year Club At Dinner Meeting

35 Workers Serve 1,112 Years for Newspaper; Hartman Elected 1st President

Thirty-five members of The Freeman Publishing Company with 1,112 years of service formed a Twenty-Year Club at an organizational dinner-meeting held Tuesday evening at Amell's Cozy Corner Restaurant.

Lawrence Conroy with 52 years of active service topped the list of veterans. Alfred DuFon, who joined The Freeman in 1881, retired after 50 years of service. Daniel Williams also retired after serving 35 years.

The Dittus family represented by John H. Sr., Henry C. and John H. Jr., who has nine years to go before he can join the club, have a 76-year service record.

Officers elected were: President, John J. Hartman; Vice President, Lawrence Conroy; Secretary, Milfred J. Buddenhagen; Treasurer, George Reis.

Parking Meters Bring in \$15,000

Net Profit to City Reported; Have Been in Use Little Over Year

The parking meters have now been in operation on the main streets of this city for slightly over one year and have resulted in a net profit to the city of approximately \$15,000, according to a compilation of monthly city treasurer's reports and other sources.

Collections from the meters during the month of April totaled \$3,060, bringing the amount collected for the 12-month period to \$33,832. Of this amount, one-half goes to the firm from which the meters were purchased, under the terms of the contract.

The contract specified that one-half of the receipts be turned over to the company until such time as the meters are paid for. They cost approximately \$50,000, there being about 725 meters at a cost of \$68 each.

Another source of revenue from the meters has been the fines collected for overtime parking, which for the 12-month period totaled about \$2,900, according to Acting Chief of Police Raymond Van Buren. This money is turned over to the city treasurer and is not split with the parking meter company.

The city's expenses in connection with the operation of the meters cannot definitely be figured because of certain unknown quantities, such as the exact cost of work done by the Board of Public Works in repairing meter stanchions knocked loose from the base by automobiles or trucks.

However, one item charged against the meters is \$2,100, the salary of the meter maintenance mechanic.

Perez Is Charged

New York, May 4 (AP)—James Perez, 23, was charged with homicide today in the shooting of a 42-year-old waiter which po-

lice said netted him two dollars. The waiter, Manuel Medina, was found shot to death on the roof of a tenement (at 881 Westchester avenue) in the Bronx April 28.

Police found Perez asleep in a hallway of the tenement last night. Police quoted him as saying he and an unidentified man lured Medina to the rooftop in an effort to rob him. Perez told police the other man shot the waiter and

that he received \$2 as his share from the waiter's pockets.

Memorial

In loving memory of our father, Byron J. Baker, who passed away one year ago, May 3, 1947. Gone, but not forgotten. NAOMI BRESMER BROTHERS AND SISTERS.

Financial and Commercial

New York, May 4 (AP)—Further buying demand kept today's stock market generally on the upgrade although many leaders faltered.

The business outlook, based partly on big government spending, still provided the main bullish incentive.

There was more profit cashing on the lengthy upswing attributed to the belief the rise may have been overdue. Labor situations, notably the threatened railway strike, remained as a cautionary element.

Dealings quickened at intervals after the start and gains of fractions to a point or so prevailed near the fourth hour.

Baker performers were Santa Fe, Southern Railway, Union Pacific, U. S. Steel, Youngstown Sheet, Goodyear, U. S. Rubber, Roelz, Western Union, Anaconda, du Pont, Allied Chemical, Johns-Manville, Montgomery Ward and American Woolen.

Rebound most of the time were Paramount Pictures, Warner Bros., Loew's, Twentieth Century-Fox, Standard Oil (N. J.), Southern Pacific, Schenley, Owens-Illinois and U. S. Gypsum.

Commodities stiffened. Bonds held to a narrow course.

Quotation by Morgan Davis & Co., members of the New York Stock Exchange, 60 Beaver street, New York city, branch office, 48 Main street, R. B. Osterhoudt, manager.

Finds His Mother Dead

Dublin, Ga., May 4 (AP)—A nine-year-old boy returning home from school yesterday found his mother shot to death, her body blocking the front door. A few feet away was the body of a man, a bullet through the head. Nearly by a .38 calibre pistol. Deputy Sheriff Judson Jackson said the two were Mrs. Grady Cullens, about 30, and Roy Joiner, about 34, members of prominent families. The deputy added that Mrs. Cullens' son returned from school but could not get into the house because the door would not open. He looked through a window and saw the bodies.

'Jail on Wheels' Visits City

The "Jail on Wheels," a mobile exhibition of police equipment, arrived in this city Monday morning in charge of Joseph Robinson and attracted much attention as it parked in several locations and allowed local persons to visit the exhibits.

Robinson said he planned to remain here overnight, and park in the vicinity of the high school and city hall this morning. Small contributions were sought from visitors, in order to pay the expenses of the exhibition.

The "Jail on Wheels" was the idea of J. Edward Slavin, retired sheriff of New Haven, Conn., and founder of the Village for Homeless Boys at Milford, Conn.

Included in the exhibition is a complete electric chair, a bucket system jail cell, a Sound Scribe, used for taking confessions, a collection of police guns, a federal laboratory display, fingerprint equipment, a police teletype and a two-way Motorola radio, and a collection of police badges.

The vehicle in which the exhibit is transported was built by the Linn Body and Coach Company of Oneonta at a cost of more than \$15,000.

SHOKAN NEWS

Shokan, May 3. Members of the Ashokan baseball club are constructing benches and bleachers at the local diamond along the Ashokan mountain road.

Fred L. Wender, who died Wednesday, April 28, at the age of 82, was very well-known on this side of the reservoir. Fred as a boy and young man was acquainted with a number of our older residents of today, including John Winchell, Amy Longyear and Homer Mackie, Sr. He was noted one of the real old timers in these parts.

Mr. and Mrs. John Davis, who last month sold their Ashokan home to Mr. and Mrs. John Hoyer of Route 28, are reported to have rented the Willows place near Tomogre and will remove there with their family.

Last year, the Citizen Club of the Ashokan District No. 4 school filled two Friendship boxes for the United Service which in due time were shipped to Holland and later, the teacher, Ruth West, and her pupils received a letter of acknowledgement for the gifts.

from a Utrecht school girl named Carla. The little Dutch girl, who writes very good English, signified her intention of coming to this country after finishing school, at which time she hopes to meet her friends here in Gave. Recently, following receipt of a second letter from Carla, the Ashokan school children sent a 22-pound parcel to their young friend about.

Tuesday, May 3, 1944: Five Ashokan reservoir laborers at Brown's who had been fomenting trouble in the contractors' camps and were arrested by Patrolman J. W. Doyle of the Aqueduct Police, were given 15 days each in Justice Ara Barton's court at Tomogre. Officer Doyle upon being attacked by the men with sticks and stones, knocked two of them down with his fists and then proceeded to round up the entire gang, of whom four were named.

Patenttown: John Terwilliger has moved from this place to the house of his father, Augustus Terwilliger, at Mombaricus.

Jason Gray and friend were seen out driving Sunday.

Tomogre: It has been decided to purchase a lot of Lester B. Davis for the new Methodist Church parsonage.

Charles Church and family have moved to West Turkey.

Mrs. Winans has bought a building lot of Willis Davis.

Frank VanKleeck plans to erect a store building here.

who married Emily Bishop, daughter of Mr. and Mrs. Cornelius Bishop of the old Shokan Hotel. Mr. and Mrs. Alexander Gwinn and two daughters, Olive and Elizabeth, resided here previous to waterworks days.

Boys of 61: Two Civil War veterans who resided not far from each other along the Plank Road and main street in the old village of Shokan were George W. Dibble and Moses Carlie. Mr. Dibble's house was south of the highway and was reached by a bridge over the Butterkill. A native of Greene county and an expert millwright by trade, he had come to this section as a young man. The writer recalls him as a man of heavy build whose disabilities necessitated the use of a wheel chair. Veteran Dibble was the father of four sons, Nicholas, James, Herbert and one daughter, Carlie, who married Charles Eaton in 1880. His several grandchildren include Gladys Port and Grant Dibble of Port Ewen.

Mr. Carlie, also in poor health in his declining years, was a member of the Shokan M. E. Church which he joined July 6, 1885. He was married to the former Mary Hoornbeck, who was a sister of Mrs. Earl Brundage and the late Lucinda Dibble, and the couple had a son, John, who served in World War I. Veteran Carlie died March 13, 1892.

Cavalcade of Time: The Cavalcade of Time, an ice show sponsored annually by the Bohndahl-Gustin Post 107 of The American Legion here, has finished its 15th and most successful year with a tour of seven Wisconsin cities on which it performed before more than 50,000 spectators. The show had a cast of 40 local skaters. Its theme represented the city's tribute to Wisconsin's centennial year.

Egg Lays: New York, (AP)—About 5 percent of all eggs produced are broken or become inedible on their way from producer to consumer, farm experts estimate.

Member of Bar

DANIEL A. CULLEN

Daniel Anthony Cullen of 165 Fair street, son of Mrs. Patrick H. Cullen and the late Patrick Cullen, was sworn in and enrolled as a member of the District of Columbia bar April 28 by Chief Justice Laves of the District Court.

He was graduated from Kingston High School in 1937 and took his A.B. from Catholic University, Washington, D. C., in 1941. He was immediately inducted into the army and served four years. Of this time, he spent a year and a half in the European Theatre of Operations with General George S. Patton's Fourth Armored Division.

Upon his discharge from service in July, 1945, he entered Georgetown University Law School and completed his work for the L.L.B. in February, 1948. He passed the District of Columbia bar examinations in December, 1947.

He is married to the former

Miss Mary Susan Rock, daughter of Mr. and Mrs. William T. Rock of Bridgeport, Conn. He is at present connected with the Department of Justice in Washington, D. C. He plans to return to Kingston in the near future.

"Every ring means money for me—and YOU, too!"

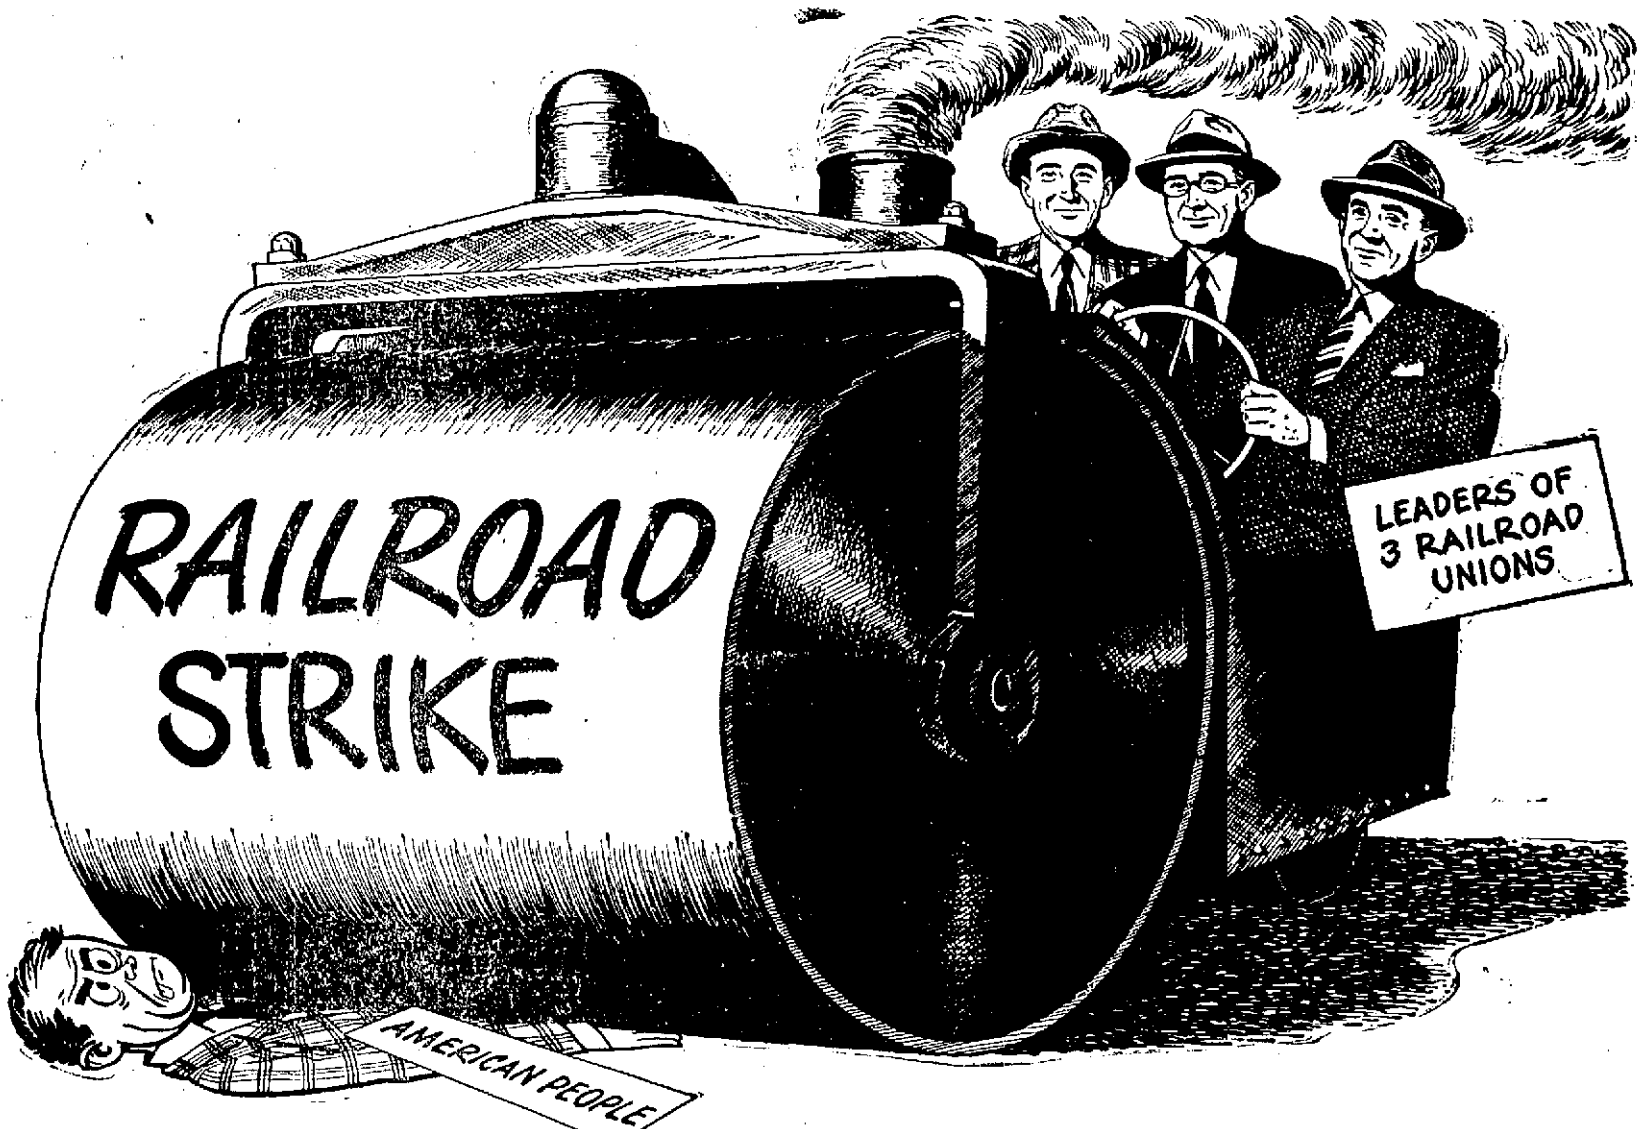

"It's a fact! Nearly every time my phone rings, it's business. Mrs. Smith phoning in her daily order, Mrs. Jones asking prices, my wholesaler telling me about a special on No. 2, canned peas that I can pass on to my customers. Of course, sometimes it's just my wife wanting to know when I'll be home... But, by and large, the telephone is a tremendous help in running my business—and say—a nice chunk of that telephone payroll gets spent in my store, too. Yes, the telephone sure means money for me—and for most everybody else, too, I guess."

Here in Kingston more than 67,000 local and 3,600 long distance calls go through our switchboards every day. And if a check were made, we're pretty sure you'd find a good share of these are calls that build local business, and make our town a better, more prosperous place in which to live. What's more, the telephone company payroll in Kingston now averages nearly \$1,020,000 a year. Much of it is spent right here in town, another contribution by the telephone company to Kingston's growth and prosperity.

Working always to serve the community better

Look who gets squeezed!

Union leaders representing less than one-tenth of railroad employees reject recommendations of President's Emergency Board—refuse to negotiate except on their own terms—threaten to paralyze nation by strike!

THE LEADERS of three railroad unions, representing less than one-tenth of all railroad employees, have called a railroad strike that would paralyze the nation.

These leaders refuse to accept a 15½ cents an hour wage increase retroactive to November 1, 1947. This increase was recommended by an impartial Emergency Board appointed by President Truman.

This increase of 15½ cents already has been accepted by the 19 other railroad unions. But the Brotherhood of Locomotive Engineers, the Brotherhood of Locomotive Firemen and Engineers, and the Switchmen's Union of North America won't accept what more than 90% of all railroad employees have accepted. They have called a strike to get more!

Unions refuse rules discussion

Certain rules changes demanded by these union leaders—which would increase wages still further—were recommended by the Board. But the union leaders want more—they demand that the railroads put into effect ALL the changes they asked for, including those the Board felt should be denied.

On top of this, they insist that certain rules changes proposed by the railroads be withdrawn—in spite of the fact that the Board recommended them! These union leaders have refused to negotiate except upon these arbitrary terms.

Greater wage increase not justified

Engineers and firemen are among the highest paid of all employees in America, as the figures in the box show. This strike threat doesn't justify giving a greater increase than other railroad workers received.

Emergency Boards are a means provided by the Railway Labor Act in the public interest to avoid strikes. The President's Board after hearing evidence for 33 days, made recommendations based on all the facts in the case. The railroads have accepted these recommendations.

Who's to blame?

Although they deplored so large an extra cost burden, the railroads accepted the report of the Board be-

cause they felt it was in the public interest to uphold the spirit and intent of the Railway Labor Act.

In contrast, this small group of railroad union leaders are attempting to flout the intent and spirit of the Railway Labor Act, and dictate their own terms. They have dictated a paralyzing railroad strike. You will be the victim!

How long will the American public stand for the undemocratic, arbitrary, and abusive use of the right to strike and disregard of the obligation to provide transportation? How long can the American people permit a few dictatorial union leaders to defy the processes provided for peaceful settlement of disputes?

Force seldom produces settlements that are either fair or lasting. Moreover, a point is often reached when personal interests must be held subordinate to the greater public welfare. That is why the railroads have accepted the Emergency Board recommendations. That is also why the leaders of these three unions should reconsider their decision to call a paralyzing strike.

Compare these wages with what you make!

Here is a comparison of average annual earnings of engineers and firemen for 1939 (pre-war) and 1947. Also shown is what 1947 earnings would have been if the 15½ cents per hour increase, offered by the railroads and rejected by the union leaders, had been in effect throughout the entire year 1947.

New York's Mayor Announces Goldman Band Season; Conductor Speaks Here Next Week

The first season for Goldman Band Concerts in Central Park, Manhattan and Prospect Park, Brooklyn, was announced Monday by Mayor William O'Dwyer of New York city who accepted the Daniel and Florence Guggenheim Foundation's offer to support the series. The band will be directed as always by Dr. Edwin Franko Goldman of Mount Tremper and New York city, assisted by his son, Richard Franko Goldman as associate conductor.

Dr. Goldman will speak on the value of instrumental musical education at Kingston High School at a free concert May 13. At that time a program of music will be played by the local musician's union band during which Dr. Goldman will conduct three of his own compositions. Endorsed by a group of leading clubs in the city, the program will be open to the public without charge.

For the first concert June 18 in Central Park, Dr. Goldman has chosen George Fernald and Triumphant Symphony in which the band will be joined by a chorus of 25 school children. Works of Philip James Grainger, Galindo, Shostakovich, Vaughan Williams,

AT WELL for Less

CHEESE INCREASES FOOD VALUE

BY GAY MADDOX
NEA Writer

Cheese, a highly concentrated source of protein, can turn many a bad dish into a main dinner course. Try this rule of thumb: If it is a remarkably good dish

For 4 ones, use 1/2 pound spaghetti, plunge it into a large kettle rapidly boiling salted water, rapidly uncovered, until just tender for 12 to 15 minutes. Chop fine or grate 1/2 lb. cheese, using American cheddar, Swiss, and a cheddar processed in Rome. Or other Italian cheese in Rome. Mix them well, equal baking dish. In bottom, place a piece of garlic, finely mince. Then put in a layer of spaghetti. Sprinkle with a generous layer of cheese, dot with butter or fortified margarine and repeat these layers, ending with cheese, until dish is nearly full. Then pour in milk (or evaporated milk and equal parts of water) until it rises almost to top. Bake in moderate oven (350 degrees F.) about 40 minutes, until thickened and browned on top. During the baking, using a fork, stir the mixture from bottom to top. Do this several times during first half hour, then allow to brown.

Cheese Spoon Bread
(Serves 4-5)
Two and one-half cups milk, 1/2 cup cornmeal, 1/2 teaspoon salt, 1 tablespoon sugar, 1 tablespoon fat, 1 cup diced Cheddar cheese (1/4 pound), 2 or 3 eggs, 1/2 teaspoon baking powder.

Heat 2 cups milk in double boiler; add cornmeal, stirring until thickened. Add salt, sugar, table fat and diced cheese. Beat egg yolks; add remainder of milk (1/2 cup) and stir into the mush. Fold in stiffly beaten egg whites to which baking powder has been added and bake in a greased baking dish in a moderate oven (375 degrees F.) for 35 to 45 minutes.

TOMORROW'S MENU
BREAKFAST: Stewed prunes, scrambled eggs with stewed tomatoes, enriched toast, butter or fortified margarine, coffee, milk.

LUNCHEON: Salmon and celery salad, potato chips, frosted gingerbread, tea, milk.

DINNER: Baked spaghetti and mixed cheese, green beans and onions, buttered new carrots, rye bread, butter or fortified margarine, pickled beets and lettuce salad, cubed fresh pineapple coffee, milk.

Coterie Hears Two Papers
At Final Study Meeting

The final study meeting for the year was held Saturday afternoon by Coterie at the home of Mrs. Raymond H. Van Valkenburgh, 329 East Union street. Further plans were discussed for the luncheon at the Ragamont Inn, Salisbury, Conn., May 22.

Mrs. William Carner Cain gave the first paper of the day on "Here and There with Puppets." She traced the history and use of puppets and illustrated her talk with three different style pup-

pets. Mrs. Louis Beeres gave a paper on "Summering in an English Cottage Before the War." She also illustrated her talk using many pictures. She spoke of the English style cottages and gardens in particular.

Following the meeting a social hour was enjoyed. Miss Gladys Seacor, president; and Mrs. Helen Terwilliger, secretary, assisted the hostess by pouring.

Junior D.A.R.
Re-Elects Officers

Officers for Junior Group D.A.R. were re-elected for another year at the meeting Monday night in Wiltwyck Chapter House. The slate as presented by Mrs. Roger Billings, chairman of the nominating committee, named Mrs. Herbert C. Foster, chairman; Mrs. Alfred W. Harder, vice chairman; Mrs. John M. Schiedde, secretary; Mrs. John W. Saxe, treasurer; and Mrs. Adam H. Porter, chapter advisor to Junior Group.

Reports of the Continental Congress were given by Miss Elizabeth Schoonmaker, Mrs. Porter, Mrs. Ruth Freidell, and Mrs. Maynard Miel.

Maj. Thomas J. Hanlon, superintendent of the State Institution at Napanoch gave an interesting talk. He said that the modern treatment and rehabilitation of the men is to give them a chance to express themselves through education and training. Religion plays a large part, he noted.

A rummage sale will be held in the Recreation Building, 97 Broadway, May 12 and 13, for the benefit of sending crippled children to camp. Anyone having articles to donate are to leave them at the chapter house.

Mrs. Alfred Harder reported

that the June meeting would be under the direction of Junior American Citizens' Clubs. A collection was taken for a wrist watch to send to Kathleen Beardon for her birthday. May 30. Members are requested to send her birthday cards at Tamasee D.A.R. School, Tamasee, S. C. The annual spring luncheon will be held at Judie's, Thursday, Memorial Day services will be held Sunday, May 30, at the First Dutch Reformed Church. All those wishing to attend are asked to meet outside the church at 10:40 a. m.

Hostesses for the day were Miss Elizabeth Schoonmaker, Mrs. Stephen Hyatt and Miss Marion Schwenk.

Cheese, being a highly concentrated source of protein, can turn many a baked dish into a main dinner course. Try this rule of thumb recipe. It is a remarkably good dish.

For 4 persons, use 1/2 pound spaghetti. Plunge it into a large kettle of rapidly boiling salted water. Boil rapidly uncovered, until tender or for 12 to 15 minutes. Drain. Chop up or grate 1/2 pound cheese, using American cheddar, processed Swiss and a Romano or other Italian cheese in equal amounts. Mix them well. Grease a baking dish. In bottom, place a small piece of garlic, finely minced. Then put in a layer of spaghetti. Sprinkle with a generous layer of cheese, dot with butter or fortified margarine and sprinkle with salt, pepper and paprika. Repeat these layers, ending with cheese, until dish is nearly filled. Then pour in milk (or evaporated milk and equal parts of water) until it rises almost to top layer. Bake in moderate oven (350 degrees) about 40 minutes, until thickened and browned on top. During the baking, using a fork, stir the mixture from bottom to top. Do this several times dur-

ing first half hour, then allow to brown.

Cheese Spoon Bread

(Serves 4-5)

Two and one-half cups milk, 1/2 cup cornmeal, 1/2 teaspoon salt, 1 tablespoon sugar, 1 tablespoon fat, 1 cup diced Cheddar cheese (1 1/2 pounds), 2 or 3 eggs, 1/2 teaspoon baking powder.

Heat 2 cups milk in double boiler; add cornmeal, stirring until thickened. Add salt, sugar, table fat and diced cheese. Heat until cheese is melted. Beat egg yolks; add remainder of milk (1 1/2 cups) and stir into the mass. Fold in stiffly beaten egg whites to which baking powder has been added and bake in a greased baking dish in a moderate oven (375 degrees F.) for 35 to 45 minutes.

TOMORROW'S MENU

BREAKFAST: Stewed prunes, scrambled eggs with stewed tomatoes, enriched toast, butter or fortified margarine, coffee, milk.

LUNCHEON: Salmon and celery salad, potato chips, frosted gingerbread, tea, milk.

DINNER: Baked spaghetti and mixed cheese, green beans and onions, buttered new carrots, eye-bread, butter or fortified margarine, pickled beets and lettuce salad, cubed fresh pineapple, coffee, milk.

Steven Fanizzi, Milton, Marries Santa Guinta

Announcement has been made of the marriage of Miss Santa Guinta, daughter of Mr. and Mrs. Carmelo Guinta, Newburgh, to Steven J. Fanizzi of Milton. The ceremony was performed in Sacred Heart Church, Newburgh, by the Rev. Vincent Graceo, Sunday, April 25.

The bride was escorted by her father. She wore a white satin gown with sweetheart neckline edged with leaf beading and leaf beading pickups on the skirt and down train. Her fingertip veil of silk illusion was caught in the crown made of material in the leaf motif. She carried a prayer book with orchid marker.

Mrs. Mary Cufone of Marlborough as matron of honor wore a silver gray satin gown and carried white roses.

Joseph Loscalzo of Milton was best man.

A reception was held at Carpenter's Hall, Newburgh. After a wedding trip to Niagara Falls, the couple will live in Milton. She chose for traveling a pink suit with black accessories.

Mrs. Fanizzi attended Newburgh Free Academy. Mr. Fanizzi attended Marlborough High School and is a shoe salesman for Vogel's Shoe Store in Newburgh.

Coterie Hears Two Papers
At Final Study Meeting

The final study meeting for the year was held Saturday afternoon by Coterie at the home of Mrs. Raymond H. Van Valkenburgh, 329 Union street. Further plans were discussed for the luncheon at the Raganmont Inn, Salisbury, Conn., May 22.

Mrs. William Carner Cain gave the first paper of the day on "Here and There with Puppets."

She traced the history and use of puppets and illustrated her talk with three different style pup-

pets. Mrs. Louis Beeres gave a paper on "Summer in an English Cottage Before the War." She also illustrated her talk using many pictures. She spoke of the English style cottages and gardens in particular.

Following the meeting a social hour was enjoyed. Miss Gladys Sercon, president, and Mrs. Helen Terwilliger, secretary, assisted the hostess by pouring.

Junior D.A.R.

Re-Elects Officers

Officers for Junior Group D.A.R. were re-elected for another year at the meeting Monday night in Willwyck Chapter House. The slate as presented by Mrs. Roger Billings, chairman of the nominating committee, named Mrs. Herbert C. Foster, chairman, Mrs. Alfred W. Harder, vice chairman, Mrs. John W. Saxe, treasurer; and Mrs. Adam H. Porter, chapter advisor to Junior Group.

Reports of the Continental Congress were given by Miss Elizabeth Schoonmaker, Mrs. Porter, Mrs. Ruth Freidell, and Mrs. Maynard Mize.

Maj. Thomas J. Hanlon, superintendent of the State Institution at Napanoch gave an interesting talk. He said that the modern treatment and rehabilitation of the men is to give them a chance to express themselves through education and training. Religion plays a large part, he noted.

A rummage sale will be held in the Recreation Building, 97 Broadway, Wednesday and Thursday, May 12 and 13, for the benefit of sending crippled children to camp. Anyone having articles to donate are to leave them at the chapter house.

Mrs. Alfred Harder reported that the June meeting would be under the direction of Junior American Citizens' Clubs. A collection was taken for a wrist watch to send to Kathleen Beardon for her birthday. May 30. Members are requested to send her birthday cards at Tamassac D.A.R. School, Tamassac, S. C. The annual spring luncheon will be held at Judie's. Thursday. Memorial Day services will be held Sunday, May 30, at the First Dutch Reformed Church. All those wishing to attend are asked to meet outside the church at 10:40 a. m.

Hostesses for the day were Miss Elizabeth Schoonmaker, Mrs. Stephen Hyatt and Miss Marion Schwenk.

NEURITIS PAINS LIKE AN ELECTRIC SHOCK TO A LOCAL WOMAN

Just recently a middle-aged woman of this vicinity told us that she had suffered 3 years of torture with neuritic pains. She said she felt like a sharp knife was being gouged into her muscles, and sometimes these pains would strike her like an electric shock. She said one could hardly stand it. Today this lady is again enjoying life and she says the change is due to taking TRU-AID. Her pains are gone now. No more feeling like a knife gouged into her muscles. She is entirely free of her misery, thanks to this remarkable compound.

TRU-AID is the new liquid formula containing three valuable medical ingredients. These Three Great Medicines, all blended into one, go right to the very cause of rheumatic and neuritic aches and pains. Miserable people soon feel different all over. So don't go on suffering! Get TRU-AID. Sold at All Drug Stores here in Kingston.

Mrs. Alfred Harder reported

Fit them Correctly

Airmen, Beware!

Rochester, N. Y., May 4 (AP)—A ground sparrow picked the edge of one of the busiest runways at Genesee Airport to hatch four eggs. The chances of the tiny bird becoming a mother on that site were considered extremely slim until airport officials held a conference on the matter. Today directly at the sparrow's nest is a stone marker and on a stick thrust in the ground is a placard warning airmen: "Bird Nest—Taxi Slow."

The mixed team-of-four event of the Eastern States regional championships had two winners. The team of Mrs. Augusta Cantor, Fred Hirsch, Mrs. Gertrude Jobs and Herman Goldberg, all of New York city, won the trophy. The children's cancer unit at Memorial Hospital in New York city also were winners because net proceeds went to aid the fight against cancer in children.

Mrs. Cantor and Mrs. Jobs are sisters. It was particularly satisfying to Hirsch and Goldberg to win because only a short time before they were leading in the finals of the Vanderbilt Cup tournament, only to lose out on the last 14 hours.

In the Eastern States mixed team contest the defenders had 22½ matches out of 28 at the end of the first session, a record 80 per cent game. But the new champions came back in the second session to win 21½ matches against the defenders' 15.

Today's hand was selected from the mixed team event. It is one on which the bidding varied a great deal. Most South players opened with one club. At some tables North responded with only one diamond. However, I believe that North's correct response is two diamonds even though he does not have first-round control in two suits. He knows his partner must have three aces to open.

Some players might consider North's jump to six no trump a plunge in the dark, others would say he misses a chance to get to

Real Isolation

Sydney, Australia (AP)—An abandoned hut in western New South Wales carried this unusual notice on its door for some years: "Twenty miles from a neighbor, 40 miles from a post office, 50 miles from a railway, 50 miles from a pub, 10 miles from wood and water, 1000 miles from a city. Whoever finds this hut can have it. We hope they will settle down and help pioneer the west. We would do it ourselves only the missus wants to see life. She has left for the city. So have I."

Licenses to Expire

A reminder came from the Ulster County Motor Vehicle Bureau today to the effect that chauffeur licenses expire on May 31, accompanied by the suggestion that they be renewed as soon as possible to avoid confusion as the deadline approaches. Operators' licenses run out in September. They may be renewed any time from the first of that month.

Electricity Use Cited

Albany, N. Y., May 4 (AP)—Eighty per cent of New York's farm homes have electric washing machines and 63 per cent electric refrigerators. The State Agriculture Department said 55 per cent of the farms have electrically-operated water systems.

Brothers Battle

Loringrad (AP)—Two brothers battled here for the light heavyweight championship of the U.S.S.R. The title stayed with the family. The fighters were Anatole Stepanov and Gennady Stepanov with Gennady the winner.
